The Honorable Tom Cole  
Chairman  
House Appropriations Committee  
United States House of Representatives  
Washington, DC 20515

The Honorable Rosa DeLauro  
Ranking Member  
House Appropriations Committee  
United States House of Representatives  
Washington, DC 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the project named the "NFATC/GSA Requested Traffic Signal Installation at 6th Street South" in fiscal year 2027. The entity to receive funding for this project is Arlington County, located at 2100 Clarendon Boulevard, Suite 302, Arlington, VA 22201.

The funding will be used for the installation of a traffic signal at 6th Street South, South George Mason Drive, and the southern entrance to the National Foreign Affairs Training Center (NFATC) as part of a larger intersection improvement project.

This project is an appropriate use of taxpayer funds because it is fulfilling recommendations about intersection improvements from an Arlington County study designed to inform transportation improvements needed for the County's Master Transportation Plan. The project also aligns with requested improvements from the National Foreign Affairs Training Center/GSA to improve access to the NFATC site and safety for all users of the roadway.

This project has a federal nexus because the funding provided is for purposes authorized by chapter 53 of title 49 of the United States Code.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

---

Donald S. Beyer Jr.
