Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the “Lee District Community Center Facility Renovations” in fiscal year 2023. The entity to receive funding for this project is Fairfax County Government, located at 12000 Government Center Parkway, Fairfax, VA 22035. The requested funding will facilitate improvements to ADA accessibility and help create additional multi-use spaces to conduct programs. With these improvements, the Community Center will be better equipped to provide a wider array of services that will ultimately develop the community and improve their self-sufficiency and economic mobility through programs such as education, employment, child care, community and economic development, and health and nutrition. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Donald S. Beyer Jr.
MEMBER OF CONGRESS
