The Honorable Kay Granger
Ranking Member
House Appropriations Committee
United States House of Representatives
Washington, DC 20510

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the “Regional Projects Data Warehouse” in fiscal year 2022. The entity to receive funding for this project is Fairfax County Government, located at 12000 Government Center Parkway, Fairfax, VA 22035. The funding would be used to establish a Regional Projects Data Warehouse and the integration and interface connecting platform for all data sources to share their data as required by the federal and state laws. This initiative would allow for greater interoperability and client continuity of care. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Donald S. Beyer Jr.
MEMBER OF CONGRESS
